EDUCATION

Qatar University · BSc Computer Science — Doha, Qatar — Jan 2023 – May 2027 (expected)

- **Relevant coursework:** Project Management, Principles of Management, Software Engineering, Database Systems, Networks, Web Development

EXPERIENCE

Kings Marine · Web Development Consultant — Doha, Qatar — Sep 2026 – Present

- Advise management on the company's digital presence, scoping and prioritising improvement requests and presenting options and trade-offs before implementation.
- Lead the redesign of the WordPress website and improve the online shop's e-commerce functionality to make browsing and buying smoother for customers.

Mannai InfoTech · Software Developer Intern — Doha, Qatar — Jun 2026 – Aug 2026

- Built a Sales Pipeline CRM on Oracle APEX and Oracle Database covering lead management, opportunity tracking and activity logging, giving the sales team one view of the pipeline.
- Designed interactive dashboards and sales-funnel analytics to track conversion by stage, with role-based security and automated follow-up reminders.

Simple Logic · Networks / IT Support Intern — Doha, Qatar — Dec 2025 – Jan 2026

- Supported network infrastructure and day-to-day IT operations across 9 Safari Supermarket outlets and malls in Qatar, resolving hardware and connectivity faults on-site.

PROJECTS

openMinistry · Founder · Civic-tech platform — openministry.live

- Identified a gap in public access to verified statements by Kerala's ministers and MLAs, and built and ran a platform that automatically collected them and sent each one for human review before publishing.
- Published 600+ verified statements covering 140 public representatives.

ComplyQatar · Founder · Compliance SaaS — In development

- Building a multi-tenant web app for Qatar companies to track licences, permits and contracts by location, with red/amber/green status, renewal alerts and a document vault.
- Designed a freemium subscription model (free tier to win small businesses, advanced features on paid plans), with a first rollout planned for Transind Holding, Qatar.

LEADERSHIP & ACTIVITIES

World Cup 2026 Prediction League · Founder & Organiser — Online — Jun – Jul 2026

- Built the website and ran a prediction league for 20 friends and family across all 104 matches, publishing daily reports and charts on standings and trends.

Monoprix Cafe · Cashier & Acting Store Lead (part-time) — Doha, Qatar — Dec 2025

- Ran the till and, on several shifts, the whole store during the FIFA Arab Cup 2025, serving 300–500 customers a day and keeping stock counted and shelves supplied.
